APPENDIX C

ELECTIVE PROFESSIONAL CLIENTS

You as the client can request to be opted up to be an "Elective" Professional Client however you must ensure you meet the Qualitative Test and also the Quantitative Test.

Under the rules of FCA being categorised as an Elective Professional Client, you will lose the protections of the rules which only apply to Retail Clients. In particular you should note that rules relating to the following areas do not apply, or only partially apply, to Elective Professional Clients:

1. COMMUNICATING WITH CLIENTS, INCLUDING FINANCIAL PROMOTIONS

As an Elective Professional Client the way in which we communicate with you may be different to the way in which we would communicate with a Retail Client. However, we must still ensure that our communications with you are fair, clear and not misleading.

2. DISTANCE COMMUNICATIONS

As an Elective Professional Client, it is possible that you may not meet the definition of a "consumer". If this is the case, then the requirements relating to distance communications will not apply.

3. INFORMATION ABOUT THE FIRM, ITS SERVICES AND REMUNERATION

There are specific pieces of information about the firm, our services and remuneration that we must provide to Retail Clients if we accepted Retail Clients. We are obliged to provide information on these areas to all clients but the level of detail, medium and timing of the provision is less specific for those clients that are not Retail Clients.

4. APPROPRIATENESS

For transactions where we do not provide you with a personal recommendation (e.g. an execution only trade), we may be required to assess whether the transaction is appropriate for you. In these instances we are entitled to assume that, in relation to the products, transactions and services for which you are classified as an Elective Professional Client, you have the necessary level of experience and knowledge to understand the risks involved in the transaction.

5. DEALING

When providing Best Execution to you as an Elective Professional Client, price is likely to be of high relative importance. However we are not obliged to determine the best possible result in terms of the total consideration, representing the price of the financial instrument and the costs related to execution, although this will be one of the factors that we will consider. Furthermore, where there is more than one competing venue to execute an order we

do not have to consider our own commissions and costs relating to each of the eligible execution venues when assessing which to use in order to provide best execution.

6. **REPORTING INFORMATION TO CLIENTS**

When providing confirmation that we have carried out your order, the timeframe we have to do so is greater than if you were a Retail Client.

7. FINANCIAL OMBUDSMAN SERVICE

You should note that the services of the Financial Ombudsman Service may not be available to you as an Elective Professional Client.

It should be noted that you have the right to request a different client classification and are responsible for keeping EBC informed about any change that could affect your categorisation as an Elective Professional Client.

QUALITATIVE TEST

EBC Financial Group Investments Limited will review the client's expertise, experience and knowledge details provided in this Account Opening Form and will decide if the client is capable of making his or her own investment decisions and understanding the risks involved. If the client is an entity, the qualitative will be performed in relation to the person authorised to carry out transactions on its behalf.

QUANTITATIVE TEST

The client must satisfy at least two of the following:

Please tick the appropriate box and supply supporting documentation.

The client has carried out transactions, in significant size, on the relevant market(s), at an average frequency of 10 per quarter over the previous 4 quarters.	Yes	No
