Risk Warning: Trading Forex and Contracts for Difference (CFDs) on margin carries a high level of risk and may not be suitable for everybody. The high degree of leverage can work against you as well as for you. Before deciding to trade Forex and CFDs, you should carefully consider your trading objectives, level of experience and risk appetite. The possibility exists that you could sustain a loss of some or all of your initial trading capital. You should be aware of all the risks associated with trading Forex and CFDs and seek advice from an independent adviser if you have any doubts.
